

► Danial Nejadmaoom

Education

1. Psychology Student In Islamic Azad University of Chalus - (Bachelor's degree)

Membership

- 1) Member of [Iranian Neuroscience Society](#).
- 2) Member of [Iranian Psychology Society](#).
- 3) Member of ["Aizheimer"](#) startup.
- 4) Member of ["Sepanta Zist Apadana"](#) Company
- 5) Member of [USERN](#) (Universal Scientific Education and Research Network).
- 6) Member of [Sadra Neuroscience Association](#).
- 7) Member of [EHIA](#) (Empirical Science and Humanities Interdisciplinary Association).

Collaborations

- 1) **Publicity in charge** of USERN (Universal Scientific Education and Research Network) offices.
- 2) **Research fellow** in Aizheimer Stratup.
- 3) As the **Executive Team** of Shahid Beheshti University of Medical Sciences Virtual Satellite Event in association with the **5 th International USERN Congress** held on November 11 15 , 2020
- 4) As the **Lecturer** in Sadra Neuroscience Association Developmental Discussion Club(IUMS)
- 5) As the **Writer** in [Sepanta zist apadana](#) Website (An Scientific and Educational Company in Biology and Neuroscience)

6)As the **Concessionaire and director** of "[Dideno](#)" Journal (a Student Journal In Islamic Azad University Of Chalus) – **[See here](#)**

7)As the **content producer group** in EHIA(Emprical science and Humanties Interdisciplinary Association -TUMS)

8)As the **Writer** in "Takhrib Khlagh" (a Student Journal In Kharazmi University)- **Currently disabled**

9)**Founder** Of RAHEZEHN.IR (a Scientific Website about Neuroscience)-**Currently disabled**

10)As the **Executive team** of "**Neuroscience : A New Approach to Our Being**" ,Workshop Organized By USERN SBMU Office as a Satellite Event in association with the 5th International USERN Congress held on November 14,2020

11) As the **Executive team** of "**Stem Cell Therapies in COVID-19**",Workshop Organized By USERN SBMU Office as a Satellite Event in association with the 5th International USERN Congress

12) As the **Executive team** of "**Artificial Intelligence in Medical Science** ",Workshop Organized By USERN SBMU Office as a Satellite Event in association with the 5th International USERN Congress

13) As the **Executive team** of "**Design Thinking in Health Problem Solving**", Workshop Organized By USERN SBMU Office as a Satellite Event in association with the 5th International USERN

14) As the **Executive team** of "**Nutrition in COVID-19**",Workshop Organized By USERN SBMU Office as a Satellite Event in association with the 5th International USERN

15)As the **writer** in "Broca" (a Student scientific journal from brain and cognition association of University of Guilan).

16)As the **writer** in "Ideal Intelligence" (a Student scientific journal related to Artificial Intelligence in Kharazmi University)

BOOKS

1. Approaches to Healthy Aging (Prevention of Alzheimer and other cognitive disorders),[see here](#).
2. A Million Things To Ask A Neuroscientist: The brain made easy, (**This book is being translated with the permission of its author.**)
3. Hypnosis and neuroscience to calming your anxious brain! (**Not published**)

Articles

1. Motor imagery based hypnosis and motor function: A Narrative Review-(**Ongoing**)

Certified in

1) **Applied Neuroscience** - Dr Mir shahram Safari, PhD (Shahd Beheshti University)- Neurosafari

2) First International Course on **Laboratory Animal Science- confirmation code: CASRP-5892FD1044** – [click for online certificate confirmation.](#)

3) **Neurocognitive Intervention In Brain Resilience** - Dr Hamed Ekhtiari, MD, PhD (lauriet inst for Brain Research) and Dr Tara Rezapur , PhD Institute For Cognitive Studies (ICSS)-Brain gym

4) **Neuroscience: A New Approach to Our Being**, Workshop Organized By USERN SBMU Office as a Satellite Event

5) **Hypnosis In Cognitive Psychology and Neuroscience** - Dr Anoshiravan Zahedi , PhD (Humboldt University Of Berlin)-Shenakht Center

6) **Editing Books with International Publishers**-Prof. Nima Rezaei (Founding President of USERN)

7) **Scientific Writing** , SBMU USERN Office Workshop

8) **Content Production in Publication Workshop**- Islamic Azad University Of Chalus

9) **Artificial Intelligence in Medical Science**, Workshop Organized By USERN SBMU Office as a Satellite Event

10) **Stem Cell Therapies in COVID-19**, Workshop Organized By USERN SBMU Office as a Satellite Event

11) **Design Thinking in Health Problem Solving** , Workshop Organized By USERN SBMU Office as a Satellite Event

12) As **Organizer** in "USERN Winter Research Week "event.

Awards

1. **Worthy-Appreciated speaker** in the scientific competition of cognitive sciences of Cog Talk2 ([Report on web](#))

Skills

- ▶ Teach
- ▶ Microsoft office (Word, PowerPoint)
- ▶ Content production in Social media
- ▶ WordPress (Basic)

- ▶ Karate (Black belt)
- ▶ Language Persian (native) , English(Basic)

Certification of Attending In Scientific Events (AS audience)

- ▶ 1) Iranian Symposium on Brain mapping Updates (ISBM2020)
- ▶ 2) Educational neuroscience and Medical education symposium 2020-SBMU
- ▶ 3) Virtual Attendance in Shahid Beheshti University of Medical Sciences Satellite Event in association with the 5th International USERN Congress held on November 11-15, 2020
- ▶ 4) Specialized meeting on the cognitive and neurological foundations of neurodevelopmental disorders- Cognitive Science Research Center of Allameh Tabatabaei University
